DUTILH CHURCH FOOD MINISTRY

About our Outreach

Love God, Love Others, Love to Serve

Dutilh's Food Ministry focuses on providing food pantry items in support of local families in need. By creating awareness within our church walls, we can share our blessings with families that are less fortunate. We accomplish this in three ways:

- Regularly we provide items to two community ministries:
VOICE is a non-profit emergency crisis shelter that provides a 30-day temporary housing option for women and their minor children who must flee their homes because of domestic violence.
Gleaners Food Bank is a non-profit, non-denominational organization that once a month provides food to Cranberry Township residents who meet Butler County income guidelines.
- In the Spring and at Thanksgiving we have a Food Drive for 30 families identified by the Mars and Seneca Valley School Districts who could use some assistance. In addition to a food donation, we provide each family with a gift card to purchase perishable items.
- Quarterly we make a monetary donation to Gleaners Food Bank to support their mission to provide healthier food options for clients, such as fresh dairy, meats, produce, etc. and to Evans City Food Cupboard to support their efforts.

How can you help?

- Donate food from the list of suggested monthly items on the last page of this brochure.
- Volunteer to sort and inventory the food on the final day of collection following the Spring and Thanksgiving Drives.
- Deliver the bags on the following week after the assembly collection to Mars Area High School and Seneca's Haine Middle School.

Food Insecurity Facts

According to the Feeding America Network, more than 42 million people may experience food insecurity, including a potential 13 million children due to the pandemic. Further the USDA's latest *Household Food Insecurity in the United States* report confirms that more than 35 million people in the United States experienced hunger in 2019 including 10 million children.

Every community in the country is home to families who face hunger including rural and suburban communities. Many households that experience food insecurity do not qualify for federal nutrition programs and need to rely on their local food banks and other hunger relief organizations for support.

Please help Dutilh help others by making food donations.

1 John 3:17-18 English Standard Version (ESV)

¹⁷ But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him? ¹⁸ Little children, let us not love in word or talk but in deed and in truth.

“Sharing, caring and working together, helping to make the world a better place.”
